THE BANKERS

Of New York Have Gold Ready for Fonds-. Black Presidents Meet to Discuss the Lagrading Loan.

New Yous, Nov. 12.—Five presidents finational banks, who are regarded as he landers of the bank presidents in New York city, met in the office of Henry W. Cannen, president of the Chase National bank, Inte Monday, They were: Mr. Cannon, Presidents Nash, of the Corn Exchange National ing circular was issued Tuesday after-bank; Tapran, of the Gallatin National, al; Simmons of the Fourth National. and Williams, of the Chemical National

tional bank to discuss the impending government loan. The consensus of opinion was that the bankers of New York would give up large amounts of gold for the p reliase of the new issue of government bonds. It is expected an our reason business promise active time tinvestors will subscribe largely can at the rate of 5 per cent per an for the new bonds, and the banks will

> This decision is of importance, as the banks represented in this informal conference, with the Union Trust and United States and Central Trust Companies, hold the bulk of the gold in New York. Presidents King, Stewart and Gleott, of the trust companies mentioned, have already extended to the administration their assurance that

the morphism of the proposit, and had been care of the new issue will be taken assue will be taken care of the new issue will be taken care of the new When the February Issue was made, depositors had difficulty in taking the gold from banks, and many only se cored legal tenders, which were presented at the sub-treasury to obtain the gold. The government thus failed to secure over \$18,000,000 gold for the \$50,000,000 netted by the sale of \$50,

The decision of the bankers to give up their gold freely will consequently not a larger amount of gold to the gov ernment as the result of the fortheoming \$50,000,000 bond issue. The amount it is estimated, will be over \$50,000,000. the new issue will be announced with-in forty-eight hours, if the circulars

Assurances have been received by the leaders in the movement which warrant the assertion that the issue will be largely oversubscribed, and holds will be on a trifle better basis than 5 per cent. The banks late Monday of the early to make time loans on the rates which have been prevailing, as it is expected that the main portion of the Escorton gold paid for the bonds will be withdrawn from the New York. will be withdrawn from the New York banks and trust companies.

EARTHQUAKE.

Three Hundred Japanese Killed and Two Hundred Wounded.

Ionses Tumbled Bown Before Their In-mates Could Escape -The Horror Was Accentuated by a Confugration That Broke Out at Many Points.

Tokio, Japan, Oct. 30 -(Correspondence of the United Press per Steamer Peru, via San Francisco, Nov. 14.)— Japan hus been visited by another dis-astrous earthquake. Sakata, a town These gentlemen had attended a on the northwest coast, suffered most meeting of the building committee of severely. The selimic force was exertise Clearance House association, and gathered in the office of the Chase na-

Housen tumbled down before their inmates could escape, the ground cracked in many places, poured out muddy water, which converted the streets into rivers, and the horror of the calmity was accentuated by a conflagration that broke out at or whose purposals are excepted will furnish to depositors freely the gold thirteen different points simultaneous necessary to take the bonds.

This decision is of importance, as the up, and one wealthy merchant had no banks represented in this informal less than forty-right warshouses

up, and one wealthy merchant had no less than forty-eight warehouses burned down. In one dwelling a whole family of seven persons were crushed to death; in another nine met a similar A group of terrified citizens who had taken refuge at the base of a co-lossal bronze vase standing in front of the town hospital were killed by the fall of the vase. Altogether some 300 people were

killed, and about 200 were wounded in sakata and the surrounding districts while the number of houses destroyed by fire was over 500, and about an equal number were shaken down.

COL. COIT

Declines to Go to Washington, C. H., But Asks for a Court of Inquiry, COLUMBER, O., Nov. 14.—Col. A. B. Colt, acting under advice from Judge George K. Nash, his attorney, refused Tuesday to go to Washington, C. H., to testify before the coroner's jury, and It is understood in New York that wrote that official that he would not be no new issue will be announced withto have the coroner to come to this city in order to avoid possible trouble, and subscription blanks can be pre-pared in that time. The bankers have about agreed to bid on a three per coroner seems to be influenced by the local prejudice, as he refused.

Col. Coit's friends therefore tools

ind condition as
It is it.
If the condition is a said court be empowered to supera witnesses and fully investigate the conduct of my command at Washington C. H. at the time named above.

Thave the bonor to be, sir, very respectfully, your obedient servant.
